Hands-free or push button drinking fountains

Hygienic and practical solution for drinking directly or filling bottles

Superior quality, made entirely from stainless steel, a 100% recyclable and highly durable material

Robust, elegant and convenient solution for drinking directly or filling bottles. With pedals or sensors (optional models with push buttons)

- To fill bottles
Designed to fill bottles and eliminate the use of plastic cups. Fully integrated faucet in the dispensing area. Hidden water faucet for optimal hygienic protection. Blue LED front sensor for bottle detection. For safety reasons the water will only dispense from the bottle filler when a bottle is placed in front of the sensor (patented). Water outlet quantity is time limited for safety.
- To drink from the bubbler
Perfect solution to drink directly when no bottles are available. Easy to use. Patented hygienic bubbler design.

Strong stainless steel pedals.

Models

- J-66 2PE
Pedal: cold water
Pedal: room temperature water
Both pedals simultaneously: mixed water

J-6PE
Pedal: cold water

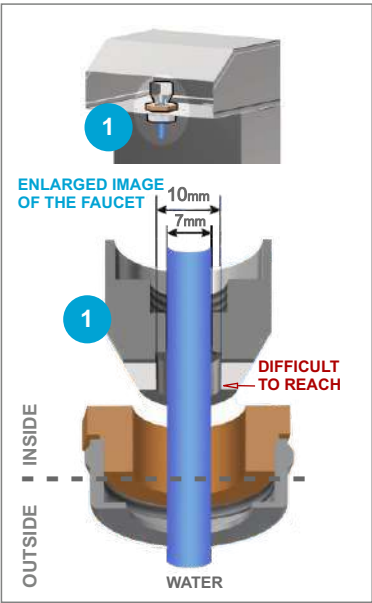

J-60P
Sensor: cold water

J-66 20P
Two sensors: cold and room temperature
Both sensors: mixed water

Internal chassis
WARRANTY

HYGIENIC FAUCET DESIGN
Faucet hidden inside.
Water jet separated from faucet walls.
Difficult to reach with fingers.

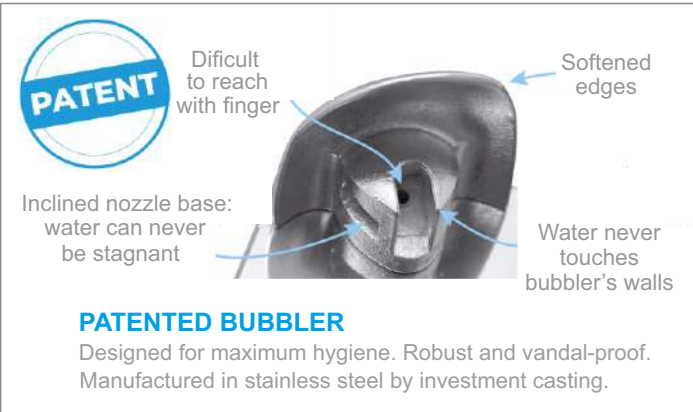

Technical data

Cooling power (W)	400
Power consumption (W)	200
Voltage 230V 50Hz single-phase (A) (Other options available)	0.9
Cooling capacity in continuous (Room temp.: 30°C, T in: 27°C, T out: 17°C) (l/h)	35
Cold water output temperature (Regulated by thermostat) (°C)	4-11
Water tank capacity (l) (Opcional: Stainless steel coil. Direct chill)	4.5
Refrigerant gas (CFC-free)	R290*
Dimensions (mm). Height x Width x Depth.	1503 x 455 x 350
Net weight (kg)	37

*R-290 is a natural refrigerant with no ozone impact. It offers high efficiency and reduces energy consumption.

WATER FILTERS

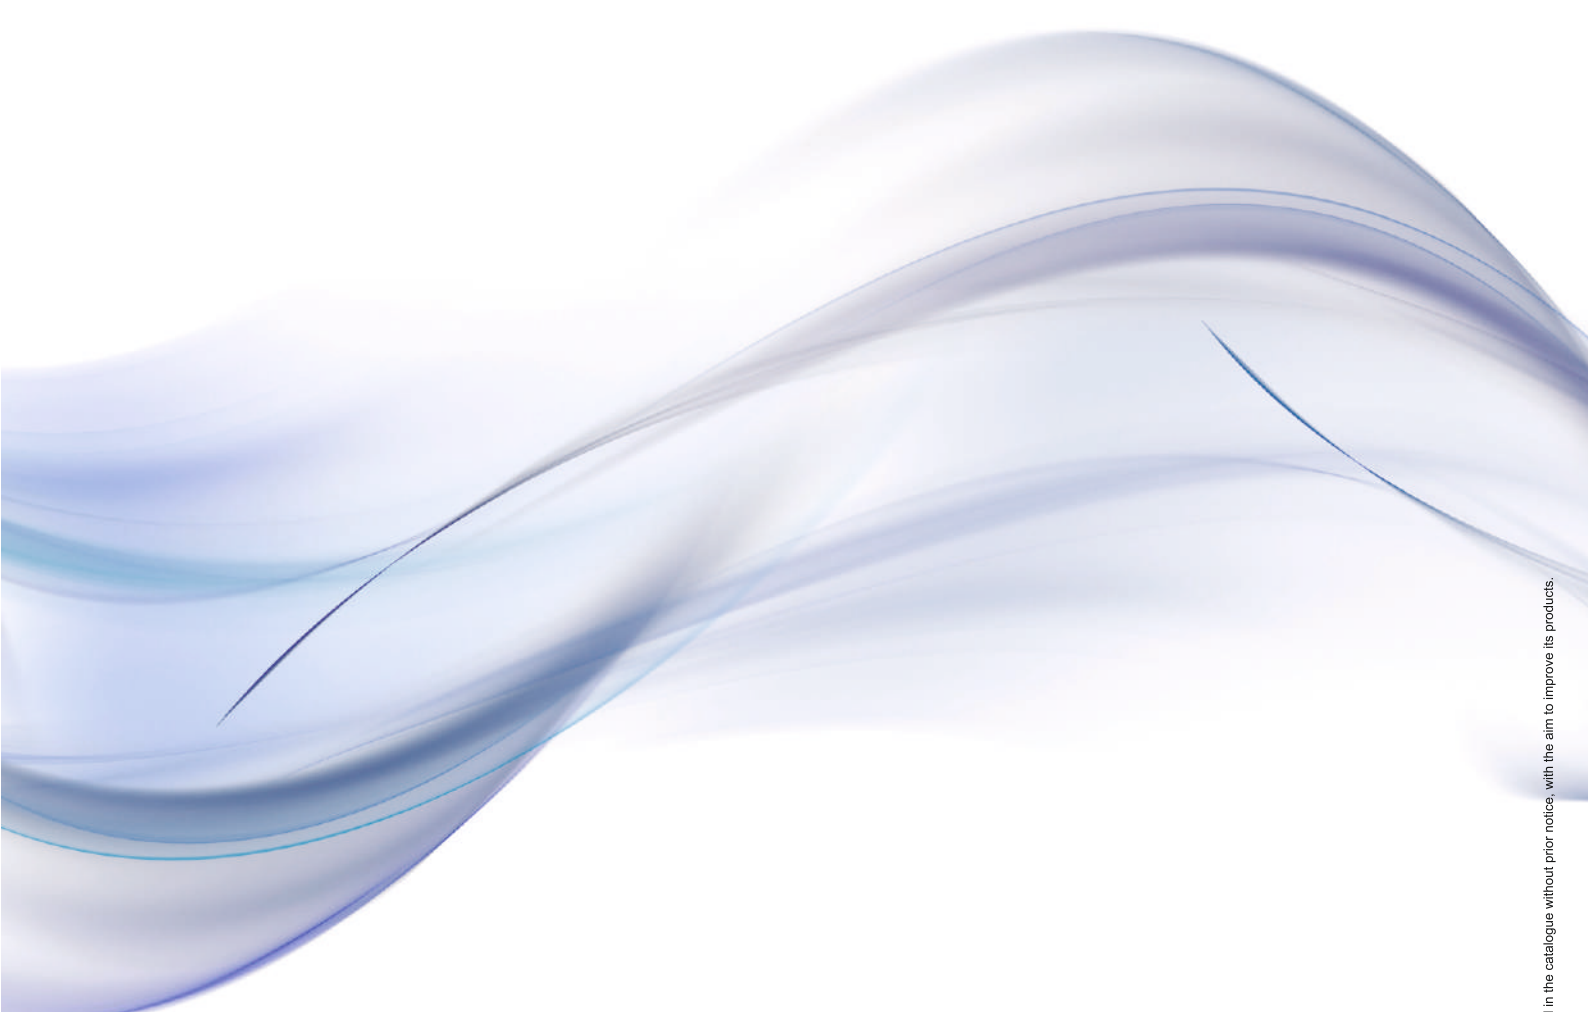

Improve water quality.
Explore different filtration options:
Activated carbon, Sediment, Ultraviolet

PATENTED BUBBLER
Designed for maximum hygiene. Robust and vandal-proof.
Manufactured in stainless steel by investment casting.
