Series 6

Drinking fountains

Offer the most durability, robustness and economical use

Superior quality, made entirely of stainless steel, a 100% recyclable and highly durable material.

Internal chassis
WARRANTY

Series 6

High quality drinking fountains with many application possibilities. Leader in sales.

Larger dimensions, together with a robust internal chassis, provide excellent stability and durability. High hygienic protection thanks to an exclusive, anti-vandal, patented water jet. The water jet height can be easily regulated using the high precision membrane valve. Greater hygiene since the push button is separate from the water jet. Easily regulated cold water temperature (thermostat). There is also the possibility to drink with cups o small bottles for the models with cup/bottle filler (LV models). Maximum cooling performance thanks to the optimization of the high efficiency of R-290 gas.

WATER FILTERS

Optional filters: Carbon block, Sediment, UV filter or RO.

Technical data

Cooling power (W)	400
Power consumption (W)	200
Voltage 230V 50Hz single-phase (A) (Other options available)	0.9
Continuous cooling capacity (Room temp.: 30°C, In: 27°C, Out: 17°C) (l/h)	35
Water output speed (l/h)	60
Water tank capacity (l) (Optional: Stainless steel cooling system. Direct chill)	4.5
Cold water output temperature (Regulated by thermostat) (°C)	4-11
Refrigerant gas (CFC-free)	R290*
Dimensions (mm). Height x Width x Depth. Models with LV: +230 mm	1030 x 360 x 360
Net weight (kg)	26

*R-290 is a natural refrigerant with no ozone impact. It offers high efficiency and reduces energy consumption.

Series 6

PATENT

Difficult to reach with finger

Softened edges

Inclined nozzle base: water can never be stagnant

Water never touches bubbler's walls

PATENTED BUBBLER

Designed for maximum hygiene. Robust and vandal-proof. Manufactured in stainless steel by investment casting.

M-66A

- Jet with three water temps.:
- Pedal: Cold
- Push button: Room temp.
- Pedal + button: Mixed

M-66ALV

- Jet with three water temps.:
- Pedal: Cold
- Push button: Room temp.
- Pedal + button: Mixed
- Cup/bottle filler: Cold

M-6APU

- Cold water jet
- Push button

M-6APULV

- Cold water jet
- Push button
- Cold cup/bottle filler

M-6APE

- Cold water jet
- Pedal

M-6APELV

- Cold water jet
- Pedal
- Cold cup/bottle filler

M-6ALVPE (hands-free)

- Cold cup/bottle filler
- Pedal

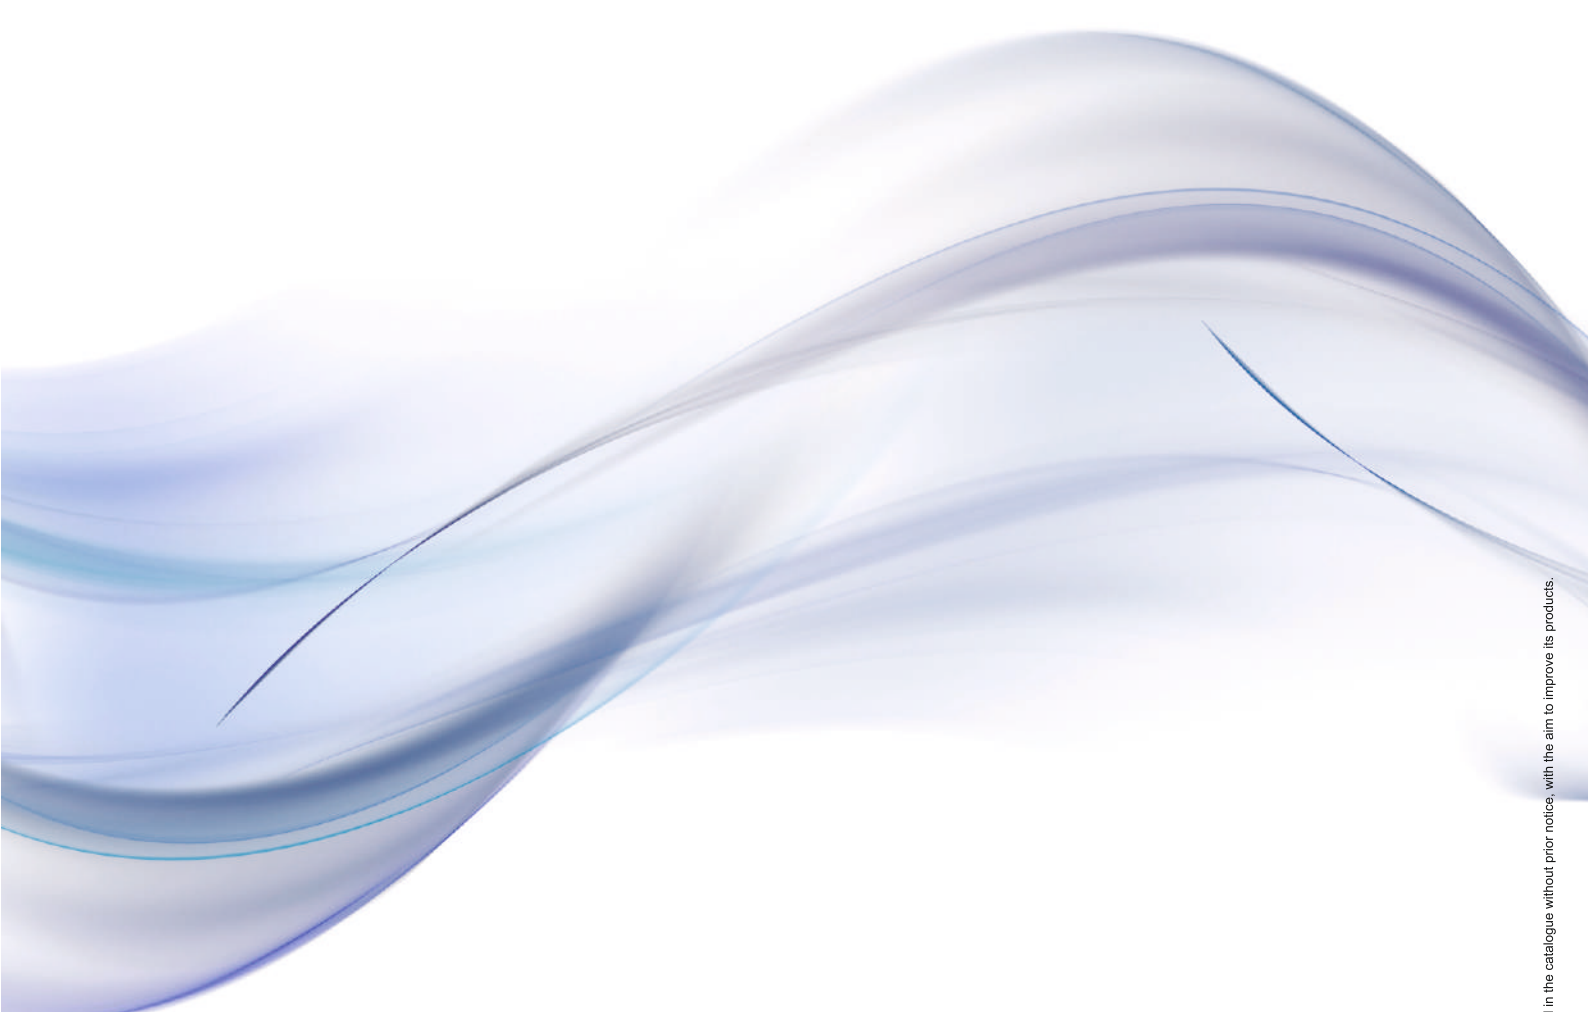

M-6APULVMV (Wheelchair accessible)

- Cold water jet
- Cold cup/bottle filler
- Floor-standing fountain: Push button
- MV disabled accessory: Proximity sensor
- Compliant with: ADA (Americans with Disabilities Act), Institut Guttmann

98/83/EC
